# Quax

Meet the Quax Air Stroller – the ultimate choice for parents who want only the very best for their little one. This premium stroller offers **unmatched quality and comfort** like no other.

Thanks to its **high-quality suspension**, your baby enjoys a smooth and quiet ride on any surface. For ultimate comfort, the suspension can be adjusted to **two levels of resilience**, allowing you to easily adapt to the terrain or your child's weight. The **smooth-rolling rubber wheels** ensure a stable ride even on uneven surfaces. Safety is guaranteed with the **convenient brake and reliable suspension**, contributing to both comfort and protection for your baby.

The **adjustable handle**, finished in luxurious black leather-look, ensures that you push comfortably as well.

The Quax Air Stroller is available in the stylish, neutral Quax colors: **black, beige, and moss**. Made from **premium materials**, the Air not only exudes a luxurious look but also ensures your baby always feels comfortable.

With the Quax Air Stroller, enjoy the perfect balance of luxury, comfort, and functionality, and cherish carefree moments with your little one wherever you go.

# Quax

This stroller comes with two attachments: **a carrycot** for newborns and **a seat unit** for when your baby can sit independently. The carrycot features a soft, comfortable mattress, an extendable canopy, and integrated ventilation openings to ensure optimal airflow for your little one.

The second attachment, the seat unit, offers maximum flexibility. You can easily turn the seat to choose between a parent-facing view or a world-facing view, depending on whether your baby wants closeness with you or to explore the surroundings. The seat canopy is extendable and equipped with ventilation, keeping your baby comfortable in all weather conditions. Additionally, the seat can be fully reclined, making it perfect for naps during walks.

The Air comes with **all the essentials** for life on the go. The stylish **nursery bag** attaches effortlessly to the frame, while the **foot cover for both the carrycot and seat unit**, **rain cover**, **mosquito net**, and **extra sun protection** ensure you can travel comfortably and worry-free in any situation.

R129 Car seat  
51-508-R129-01

Characteristics and dimensions

l: 65 cm | w: 43 cm | h: 58 cm  
Adapter Compatibility: 51-508-ADPT CR  
ISOFIX base Compatibility: 51-508-R129-BASE

Safety

This car seat complies with the European safety standard UN R129 for group 0. For safe and correct installation in the car, we recommend combining the seat with the ISOFIX Base 51-508-R129-BASE. This ensures maximum protection for your baby from the very first day.

Material and maintenance

Structure: polypropylene (PP) Fabric: 100% polyester

The fabric cover can be machine-washed at max. 30°C. Clean all other parts using a soft sponge and mild soap. Avoid using harsh cleaners, moisturising products or lubricants — even on moving parts — to maintain the quality and durability of the seat.

## Isofix Base R129 51-508-R129-BASE

### Characteristics and dimensions

Car Seat Compatibility: 51-508-ADPT CR

### Safety

The Isofix Base meets the UN R129 standard, the strictest European safety requirement for car seats. This ensures optimal protection at all times. The Isofix system provides a strong and flawless connection, keeping your child safe and secure throughout every ride.

### Material and maintenance

Crafted from high-quality PP (polypropylene) and finished with durable, easy-to-maintain materials. Avoid aggressive cleaning agents, oils, or moisturisers to preserve the product's safety and durability.
