

The Tsugi Room Collection is defined by its **gentle, airy design** and soft **monochrome look**. With its refined silhouette and minimalistic details, it creates a light and serene atmosphere in the nursery, blending timeless style with modern comfort.

Available in two elegant finishes—**Honey Ash**, a warm, natural wood tone, and **Butter**, a subtle yellow shade inspired by the Pantone Colour of the Year—Tsugi adds a touch of character while remaining easy to incorporate into any home interior. Its understated palette and soft forms make it a versatile choice that grows beautifully with your child.

At the heart of Tsugi are its convertible beds, thoughtfully designed to grow with your child. The 120 x 60 cm bed transforms into a **snug sofa bed** with safety rail, creating a safe and cosy spot for rest or play beyond the baby years. The 140 x 70 cm bed evolves into a **comfortable toddler bed with safety rail**, accompanying your little one up to six years of age. With these adaptable pieces, Tsugi blends practicality and elegance in a seamless design.

More than furniture, the Tsugi Collection shapes a space of continuity and ease, where every stage of childhood is embraced with comfort and style.

Available colors

6 - Honey Ash

# Tsugi Series

## Room Collections

---

# Quax

At the heart of the Tsugi Collection are its **convertible beds**, designed to adapt seamlessly as your child grows. Both bed sizes — 120 x 60 cm and 140 x 70 cm — are transformable, offering comfort and continuity from the baby years well into early childhood. The 120 x 60 cm bed can be converted into a snug sofa bed, creating a safe and cosy corner for play, reading, or rest beyond the cot stage. The 140 x 70 cm bed evolves into a comfortable toddler bed that accompanies your child up to six years of age. For these transformations, each bed comes with an **included safety rail**, ensuring your little one's security while giving them the independence to climb in and out with ease. This thoughtful detail makes the transition from cot to toddler bed smooth and reassuring, both for parents and child.

*With this versatility at its core, Tsugi brings together practicality, safety, and timeless design, making it a lasting companion through the early years of childhood.*

## Baby Bed 120 x 60 cm 54F06-0100x

(the x in the article has to be replaced by the color code)

### Characteristics and dimensions
