

Good To Grow

MODULAR
BED CONCEPT

Built for Growing Up

FROM BABY TO TEEN

With the Junior Kit, you can easily **transform your Quax convertible bed into a spacious junior bed.** This kit includes an **extension** that expands the bed to 170 x 70 cm, allowing your little one to enjoy the same bed until **the age of 10.**

The Good To Grow concept is available for the following collections: Kyo, Yume, Hai No Ki, Flow, Ashi, Cocoon, and Loft.

Gemaakt om te Groeien

VAN BABY TOT TIENER

Met de Junior Kit **transformeer** je je Quax meegroeibed moeiteloos in een ruim junior bed. De kit bevat een **verlengstuk** dat het bed uitbreidt tot 170 x 70 cm, zodat je kleintje er tot ongeveer **10 jaar oud** in kan slapen.

Het Good To Grow-concept is beschikbaar voor de volgende collecties: Kyo, Yume, Hai No Ki, Flow, Ashi, Cocoon en Loft.

Conçu pour grandir

DE BÉBÉ À ADOLESCENT

Avec le Junior Kit, **transformez** facilement votre lit évolutif Quax en un lit junior spacieux. Ce kit comprend **une extension** permettant d'agrandir le lit à 170 x 70 cm, offrant ainsi à votre enfant un espace confortable **jusqu'à l'âge de 10 ans**.

Le concept Good To Grow est disponible pour les collections suivantes : Kyo, Yume, Hai No Ki, Flow, Ashi, Cocoon et Loft.
